FEYNN LABS TASK (SOLO)

NAME – ADITYA CHOUDHARY

Performed Exploratory Data Analysis(EDA) on two datasets of the Electric Vehicles.

Dataset 1: https://www.kaggle.com/datasets/geoffnel/evs-one-electric-vehicle-dataset/data

Dataset 2: https://catalog.data.gov/dataset/electric-vehicle-population-data

I have prepared Google Colab notebooks by applying EDA and machine learning algorithms on the given datasets.
